Mental Health Worker Housing Program

The CMHA Cochrane-Timiskaming Branch is currently seeking a Mental Health Worker to support the Housing Program.

The successful applicant for this position assists clients to maintain stability in their residence and the community through short-term intensive services designed to address their housing needs as well as their activities of daily living needs. The incumbent will facilitate the discharge planning process to help individuals with a mental illness who are currently homeless, at risk of becoming homeless, or who are being released from a psychiatric facility and require housing.

Candidates must possess a Bachelor's Degree in Social Work or a Bachelor's Degree in Psychology. A belief in recovery and the ability to establish supportive trusting relationships with persons with serious mental illness are essential qualities, as is the ability to collaborate and contribute to the positive culture of the team. A valid driver's license and use of a reliable vehicle are required.
