Addictions & Mental Health Worker

The CMHA Cochrane Timiskaming Branch is currently recruiting an Addictions & Mental Health Worker who is a member of a multi-disciplinary team and who plays a key role in the coordination of care and services for clients who are affected by addictions and/or serious mental illness. The Worker recognizes and respects the individuality and uniqueness of each client, including their needs, values, beliefs, and choices.

Following a community-based model, the Worker provides a range of services including, but not limited to, intake, assessment, referral, case management, treatment and counselling, outreach, social rehabilitation, community support, psychiatric consultation, and after care. The Worker facilitates support group in collaboration with their agency colleagues and other community partners to enable clients to live an optimal quality of life in the community according to their own needs and choices. The Worker also provides support and guidance to the family members, performs crisis intervention, and facilitates public education events on mental illness and substance abuse.

Requirements:

1. A Bachelor's Degree in Social Work or a Bachelor's Degree in one of the core mental health disciplines is preferred. Other levels of relevant education with experience in the mental health field may be considered.
2. Experience in the mental health and addictions field would be a definite asset;
3. Registration with the Ontario College of Social Workers and Social Service Workers would be an asset;
4. The ability to work with a population of clients with diverse and complex issues;
5. Valid driver's licence and use of a reliable vehicle for work purposes.
