Addictions & Mental Health Worker

The CMHA Cochrane Timiskaming Branch is currently recruiting an Addictions & Mental Health Worker who is a member of a multi-disciplinary team and who plays a key role in the coordination of care and services for clients who are affected by addictions and/or serious mental illness. The Worker recognizes and respects the individuality and uniqueness of each client, including their needs, values, beliefs, and choices.

Following a community-based model, the Worker provides a range of services including, but not limited to, intake, assessment, referral, case management, treatment and counselling, outreach, social rehabilitation, community support, psychiatric consultation, and after care. The Worker facilitates support groups in collaboration with their agency colleagues and other community partners to enable clients to live an optimal quality of life in the community according to their own needs and choices. The Worker also provides support and guidance to the family members, performs crisis intervention, and facilitates public education events on mental illness and substance abuse.

The primary role of this position will be working in conjunction with the Kirkland Lake Ontario Provincial Police in the Mobile Crisis Rapid Response Team.

Requirements:

1. A Bachelor's Degree in Social Work or a Bachelor's Degree in one of the core mental health disciplines is preferred. A combination of College Diploma and relevant experience in the addictions/mental health field may be considered. Or a Registered Nurse or Registered Practical Nurse with current registration with the College of Nurses of Ontario;
2. Experience in the mental health and addictions field would be a definite asset;
3. Registration with the Ontario College of Social Workers and Social Service Workers would be an asset;
4. CNA Psychiatric and Mental Health Nursing Certification (CPMHN(C)) would be an asset
5. The Ability to work with a population of clients with diverse and complex issues;
6. Ability to work across multiple teams and community stakeholders;
7. Valid driver's licence and use of a reliable vehicle for work purposes;
8. Bilingualism would be considered an asset;
9. Available for evening and weekend hours.
