Canada Summer Jobs is an initiative of the Youth Employment Strategy, which is the Government of Canada's commitment to help young people between the ages of 15 and 30, particularly those facing barriers to employment, get the information and gain the skills, work experience and abilities they need to transition successfully into the labour market.

The Canadian Mental Health Association – Cochrane Timiskaming Branch in New Liskeard is pleased to support the Canada Summer Jobs Program by creating a quality summer work experience for young people aged 15 to 30 years. These youth summer work experiences represent important pathways facilitating future transitions to the workforce.

This summer employment opportunity supports the development of work skills and acquisition of work experience in the field of addictions and mental health. Using a client-centered approach, the successful applicant will:

- Support the development of social skills, communication skills, community living skills, emotional stability, coping strategies, and self-confidence of individuals who live with mental illness and addictions;
- Develop rapport and trusting relationships with clients and work collaboratively to identify appropriate goals and plan activities that support the achievement of goals and growth;
- Teach life skills and assist them in coping with their mental health and addictions issues;
- Promote awareness of the CMHA-CT and the services we provide.

Requirements:

- A keen desire to work in the mental health and addictions field;
- The ability to develop trusting relationships with others;
- Some post-secondary education in social sciences would be beneficial;
- Strong interpersonal and communication skills;
- Ability to work as a team member as well as independently;
- Ability to relate to diverse populations;
- Between the ages of 15 and 30 years old;
- The ability to communication in both official languages would be an asset to this role.
