## **Occupational Therapist**

The Canadian Mental Health Association – Cochrane Timiskaming Branch is currently recruiting an Occupational Therapist for the Timmins office.

In keeping with the Mission, Vision, Values of the Canadian Mental Health Association – Cochrane Timiskaming Branch (CMHA-CT), the Occupational Therapist (OT) supports the recovery journeys of clients by enabling their health and well-being through engagement in meaningful occupations in their lives. The OT provides discipline-specific expertise to the mental health teams regarding services to clients who are experiencing significant challenges in functioning related to looking after themselves (self-care), enjoying life (leisure), and being a contributing member of the community (productivity).

### **Qualifications:**

1. Current registration with the College of Occupational Therapists of Ontario.
2. Preferred minimum of 3 years of OT experience, preferably with adults living with serious mental illness and in a community-based setting.
3. Thorough knowledge of and proficiency in current OT assessment & intervention
4. Knowledge of recovery, and demonstrated values consistent with a recovery-oriented approach
5. Ability to teach/coach using adult learning and strengths-based models
6. Familiarity with the Mental Health Act
7. Excellent written and verbal communication skills
8. Ability to engage in trusting relationships and work collaboratively with clients, team colleagues, and community stakeholders.
9. Ability to prioritize needs and organize work efficiently
10. Aptitude in developing innovative approaches to service delivery
11. Valid driver's license and access to a reliable vehicle
12. The ability to work a schedule determined by the employer and according to the needs of the individuals receiving services.

***CMHA Cochrane-Timiskaming actively seeks candidates who are First Nations, Métis, Inuit, and urban Indigenous; Francophone; Black and racialized; members of 2SLGBTQIA+ communities; trans and nonbinary; and disabled.***
