Registered Nurse

Assertive Community Treatment Team

The Canadian Mental Health Association – Cochrane Timiskaming Branch is currently recruiting a Registered Nurse for the Assertive Community Treatment Team.

In keeping with the Mission, Vision, Values of the Canadian Mental Health Association – Cochrane Timiskaming Branch (CMHA-CT), the Nurse (RN) is a member of a multidisciplinary team and plays a key role in the coordination and delivery of nursing services for clients who are affected by addictions and serious mental illness. The Nurse recognizes and respects the individuality and uniqueness of each client, including their needs, values, beliefs, and choices.

- Registered Nurse degree;
- Minimum of three years' related mental health experience or equivalent combination of education and experience;
- Membership/registration in good standing with the College of Nurses of Ontario;
- Sound knowledge of the Mental Health Act, Nursing Act, Regulated Health Professions Act, Health Care Consent Act, Community Treatment Orders, and other related legislation in Ontario;
- Sound knowledge of psychotropic medications including usage and potential side effects;
- Demonstrated critical thinking skills including strong clinical judgment and problem-solving skills;
- Highly effective oral, written, and interpersonal communication skills;
- Ability to manage crises in an effective, professional manner;
- Ability to meet tight deadlines and work in a fast-paced, often pressured, environment;
- Valid driver's license from the province of Ontario and use of a reliable vehicle for work purposes;
- The ability to provide services according to a work schedule determined by the employer and according to the needs of the individuals served.

**CMHA Cochrane-Timiskaming actively seeks candidates who are
First Nations, Métis, Inuit, and urban Indigenous; Francophone;
Black and racialized; members of 2SLGBTQIA+ communities;
trans and nonbinary; and disabled.**
